

FREE WEBINAR

Creating an Inclusive Athletic Training Environment in the Secondary School Setting

This webinar will provide educational resources to better prepare athletic trainers to create an environment of inclusivity and equal opportunity for all patients, regardless of sexuality, gender identity or gender expression. This presentation will provide clinicians with the tools to practice effective cross-cultural communication and be prepared to work respectfully and effectively in diverse work environments as it relates to LGBTQ+ athletic trainers and patients.

The purpose of this workshop is to increase athletic trainers' knowledge and understanding of both other athletic trainers and patients that identify as a part of the LGBTQ+ community in order to increase the cultural competency of clinical athletic trainers and educators.

Objectives:

Following this session, attendees will be able to:

1. Define commonly used LGBTQ+ terms that create cultural awareness in patient care.
2. Incorporate educational resources into their athletic training clinical practice in the secondary school setting.
3. Incorporate best practices in providing equitable healthcare to LGBTQ+ patients, including proper referrals to this population.

AUDIENCE

Open to ALL Athletic Trainers — registration space is limited to 750

WHEN

June 4th, 2020

11 am - 12:30 pm CDT

The Southeast Athletic Trainers' Association is approved by the Board of Certification, Inc. to offer continuing education to Certified Athletic Trainers.
