

2021 Virtual Clinical Symposium and Members' Meeting Call for Proposals

March 4-6, 2021

Deadline for Proposal Submission: November 1, 2020

The Research and Education Committee is excited to begin the planning process for the 2021 **VIRTUAL** Clinical Symposium and Members' Meeting which is scheduled for March 4-6 with the theme of **BEYOND EVALUATION**. As we begin planning, we invite you to submit a session for the meeting that is focused on advancing clinical practice and improving patient outcomes. We welcome proposals for:

- *Feature Presentations*: 1-1.5 hour presentations with 1-3 speakers. These are in-depth presentations on one topic relevant to the interest of the membership and should be organized to fall within the domains of practice for athletic training.
- *Workshops*: 1-3 hour presentations with 1-3 speakers. These are presentations that also include a hands-on component to the session. Presentations must fall within the domains of practice for athletic training.
- *Special Topics*: 1 hour sessions featuring a lecture presentation and possible interactive discussion with 1 speaker. These sessions do not provide participatory hands-on activities. Presentations must fall within the domains of practice for athletic training.

Proposal submission with full instructions can be found [here](#). You will need to submit speaker information (including NPI numbers and CVs), presentation abstract, learning objectives, purpose or performance gap addressed by the session, and references at the time of submission.

All questions on the session proposals can be addressed to Amanda Tritsch at ajtritsch@usf.edu. If you are interested in presenting an EBP or pre-conference workshop, please contact Lizzie Hibberd at eehibberd@ches.ua.edu.

Thank you for your interest in submitting a session proposal for the 2021 Virtual SEATA Clinical Symposium and Members Meeting!
